Dear Authors,

Congratulations !!!!

We are pleased to inform you that your Paper Title ***"An overview of various Hand Gesture Recognition systems and their varied classification techniques"*** with Paper ID: 83 has been accepted for presentation in International E- Conference on Advances in Information Technology and Research (ICAITR), Mumbai scheduled on **31st May and 01st June 2021**.

The following are the reviewer comments:

Reviewer :

- Too much of theory discussion. It could have written in more precise way.
- Since it is an overview paper it should have been more crisp in contents. Over usage of numbered list is done it could have been avoided.
- The aim of this paper need to defined clearly.
- Exactly what conclusion is derived in not clear
- How they are going to proceed for further work is very unclear.
